Fostering hope for children and families.

*"Our Mission is to foster resilience in children & families so they can thrive."*

Teaching Parents,

As we work to figure out a new normal over the next several weeks, please utilize these educational, recreational, and at home play ideas for kids of all ages. Additional educational resources can be found at your school system's website. Your team at People Places is here to support you through this time. Please let us know how we can be of further assistance as you strive to stay safe and healthy!
